**Rusalka** is one of the largest passenger ships in Wrocław. It has two decks: an upper, large, semi-open, sunny deck from which you can enjoy the views, and a lower, covered deck that provides excellent protection from possible wind and rain. It has a large living room that has many uses such as a dance floor or a place to show a film on a projector. An added bonus is the heating, which allows cruising at any time of the year. There are also two toilets and a bar on board. The vessel, thanks to its design, allows for any event configuration. A sound system and disco lighting are available on board.

An Oscar red carpet entrance and a ceremonial welcome to guests by the ship's captain will add to the prestige. The staff speak several languages.

Any table configuration is possible on board, i.e. round, cocktail, rectangular. We will match the colour of the tablecloths to the chosen décor. We also have covers for chairs and benches\*.

In case of inclement weather, the additional canopy on the upper deck\* is ideal.

We can prepare a separate feasting area, dance area and also a relaxation or children's area.

Additional lighting and a light garland will provide an extremely atmospheric ambience and our event designer will prepare the décor of your dreams\*.
