Oriental belly dance

The price for the performance of a dancer or dancers depends on the performance time and the number of dancers. The performance time or frequency is agreed individually with the client.

The dancers combine dance styles such as belly dance with samba. These are the most beautiful and impressive oriental dance genres, which will become a beautiful dance setting for the evening, long remembered by the guests. The choreographies are truly spectacular and authentic.

A photograph of a festive night scene, likely a New Year's Eve celebration. In the foreground, a person's hand holds a lit sparkler. In the background, a man wearing a red and black beanie and a dark jacket is smiling. Other people are visible in the background, some holding sparklers. A large, semi-transparent teal circle is overlaid in the center of the image, containing the text "Come and have fun with Turizmo!".
