

RUSAŁKA SHIP

TURIZMO Water Tourism Center StatekWroclaw.pl has been operating continuously on the Wrocław's market for 10 years.

We are distinguished by many years of experience and constant, dynamic development. It is true that we own the largest number of ships in Wrocław.

And we do not intend to stop!

We are already preparing new modern units and we are expanding our offer with new services.

WHY US?

The diversity of our fleet allows us to organize events on a larger and smaller scale - both private and corporate. Importantly, we are open all year round! We stand out among Wrocław shipowners because of our comprehensive care and individual approach to each endeavor. Apart from the cruise itself, we provide the organization of the entire event conducted by experienced event managers and coordinators, we provide support when planning the event and during it, which allows participants to have peace of mind and true enjoyment.

Our offer includes a number of services that enrich the cruise, making it even more attractive such as professional sound and lighting that creates a unique atmosphere on the ship, the ability to adapt the configuration and types of tables/chairs to the style of the event and the number of guests, a wide range of decorations for the entire ship in line with current trends and with the possibility of personalization.

Our event designer will advise, design and prepare a personalized ship decor like balloon garlands, sequin walls and even flower arrangements for any occasion. Upon request, we will organize an Oscar-style entrance on the red carpet with a welcoming glass of champagne. For adrenaline fans, we recommend extreme experience on a fast motor yacht during the event.

Our DJs will deliver great fun and all the joyful moments will be captured by a professional photographer! We will also provide you with delicious meals and drinks. We have a wide catering offer from many world cuisines that will satisfy every taste. Catering based on barbecue - classic barbeque can be freely modified and expanded to include fish, vegetarian and vegan dishes. Other ideas? No problem, selection of meats and cheeses, finger food, oriental cuisine, classic lunch, desserts - we are only limited by our imagination. The perfect addition is our most popular Open Bar offer - many options for everyone - hot, cold and with alcohol. Everything is supervised by experienced catering staff.

All these years have been filled with countless emotions, laughter and dancing until dawn. The most important anniversaries, engagements, weddings, as well as corporate events - it all happened here. Welcome on board. Sail away with us!

Rusalka is one of the largest passenger ships in Wrocław. There are two decks: the upper deck that is large, semi-open, sunny, where you can admire the views, and the lower one - covered, which perfectly shields passengers from possible wind and rain. There is a large space that has many uses, e.g. a dance floor or a place to present a movie on a projector. The ship is equipped with a heating system, which means that cruises are possible at any time of the year. There are two restrooms and a bar on board. Thanks to the design, the ship is prepared for various event configurations. A disco sound system and lighting equipment are on board.

The Rusalka ship is perfect for company events, wedding receptions, special occasions.

PRICE: starting from PLN 1350/h

The red carpet Oscar entrance and the ceremonial welcome of the guests performed by the ship's captain will add prestige to your experience. The staff speaks several languages.
